In response to your recent request for information regarding;

Please could I request the same information again but from the time period 01/06/2024 - 01/06/2025?

Previous request;

Good Evening, hope this request find you well, would it be possible to get the number of P0's from the period 1st June 2023 - 1st June 2024. Would it be possible to have a different table for each LPU and a different table for the P0's and P1's. If possible could this be in a table which on the y-axis is the days and then on the x-axis is the time slots (00:00 - 00:59, 01:00 - 01:59) and then within the boxes please put the total number of P0's/P1's that happened during the 12 months stated in the correct place.
