2025/876 - Car noise complaints

In response to your recent request for information regarding;

The number of noise complaints in the last year relating to cars.

I have examined I/CAD events that are of the Event Sub Type 'ROAD_RELATED_OFFENCE' and include the keywords 'NOISY', 'NOISE' or 'LOUD' and then examined the log to see if these relate to cars.

In 2025 we have had 39 such complaints.

From 13/08/24 – 13/08/25 we have had 114 complaints.

Please note: due to the methodology of searching for these events that some may have been missed. It is dependent on the above search terms being included in the I/CAD event log.

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST
UNDER THE FREEDOM OF INFORMATION ACT 2000, AND IS CORRECT AS AT 18/08/2025
