POLICE**

Response Date:03/09/2025

2025/901 - A548 at Greenfield

In response to your recent request for information regarding;

Speed Detection Device 747 on A548 at Greenfield.

Request for the additional following documents under Advance Disclosure.

Calibration Certificates for Speed Detection Device 747.

For 20.02.2023, One year later aprox 20.02.2024.

I have the Certificate for 04.02.2025. The certificate appears to relate to the completion of the inspections before the following inspection around 12 months later.

Therefore

or

I request the worksheets of the Engineers attending in 2023, 2024 and 2025. Did they find that no change had occurred to the device in the previous 12 months? I am trying to establish if they had to make any adjustments and alterations before signing the job off. If no written record, Sworn Evidence may be required. Also to explain the speeds Simulated and Measured, shown in Kms/Hr.

We do not hold this information.

L. Robinson SCPU Prestatyn.

Please supply the total number of prosecutions on this section of the A548, in the three years before the Restriction (default 20mph) of 2023. I realise that Lockdown Pandemic Year will give distorted data but still acceptable for this case

Between 17/09/2020 and 16/09/2023 - 4255 NIPs issued.

The current trigger point for prosecution is 26mph. 25.99mph no prosecution - 26+mph - prosecution. Please supply the total number of drivers caught travelling at above 26mph but no more than 30mph at this location in Greenfield since

a) the Restriction of Speed was introduced in 2023.

Between 17/09/2023 and 22/08/2025 - 5234 NIPs issued at speeds between 26 mph and 30 mph.

b) Since the review period from 8/11/2024.

Please supply number of drivers caught travelling above 30mph at this location in the same time periods.

1332 NIPs issued to vehicles travelling at and above 30 mph between 08/11/2024 and 22/08/2025.
