2026/1011 - Strava in crime reports

In response to your recent request for information regarding;

- 1. The number of crime reports recorded by your force in which the crime report text, or modus operandi report, mentions "Strava", broken down by calendar year for 2022, 2023, 2024, 2025, and 2026 to September 1. If possible, please further break this down by crime category. Please use the following columns in a sheet: police force name, year, total number of crime reports, followed by columns with counts for each crime category where at least one has been recorded (e.g. 'Stalking and Harassment').**
- 2. Please provide a redacted copy of the free text crime reports for these offences recorded by your force from March 1, 2026 to September 1, 2026. Please use the following columns in a spreadsheet separate to the answer for question 1: force name, report date, crime category, redacted copy of free text.**

We have searched our system for notifiable offences with Strava in the occurrence summary, this resulted in a nil return.
