2026/1153 - Domestic and partner perpetrated drug facilitated sexual assaults

In response to your recent request for information regarding;

I would like to request data relating to domestic and partner perpetrated drug facilitated sexual assaults within the UK in the last 5 years from each Police Force in the UK.

By drug facilitated sexual assaults, I refer to any offence contained within sections 1-14, 25-27, 48-50 Sexual Offences Act 2003 where committed or alleged in tandem with Section 61 of the same Act.

I am not requesting information that pertains to incidents that may be recorded as 'spiking' (instances of strangers spiking individuals drinks for the purpose of stupefying them) - my request relates to those occurring within intimate relationship, partnership, marriage/civil partnership and family contexts.

I would like to request the number of:

- **Complaints/incidents reported,**
- **Investigations undertaken,**
- **Referrals for charge made to the CPS,**
- **Charges made by the CPS (I can request this from them if needed),**
- **Charges carried through to trial,**
- **Convictions,**
- **Average custodial sentence duration, if possible**
- **Statistics on the numbers of each of the mentioned drug facilitated sexual assaults**

Within the last 5 years.

Our information is set up and searchable for our policing purposes. We have searched for occurrences of Sexual Offences involving either Domestic flag or "relationship to offender" = "Boyfriend/Girlfriend", "Expartner" or "Spouse", where summary text includes "Needle", "Drink", "Inject", "Drug", "Drunk" or "Intoxicated".

To ensure all the occurrences are relevant to your request and to provide referals to the CPS would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

We do not hold conviction or custodial sentence data, you may wish to refer this part of your request to the court service.
