**2026/119 - Using phone when driving**

In response to your recent request for information regarding;

- 1. Please provide the number of UK drivers who were caught using their phone when driving broken down by calendar years 2023, 2024, and 2025 in your force area**
- 2. Please provide the number of police fines issued to drivers using their phone behind the wheel broken down by calendar years 2023, 2024 and 2025 in your force area.**

The below table outlines the number of offences captured by speed cameras -

| Year | Number of Offences captured | Number of fixed penalties offered |
|------|-----------------------------|-----------------------------------|
| 2023 | 9                           | 3                                 |
| 2024 | 10                          | 7                                 |
| 2025 | 12                          | 9                                 |

The above reflects mobile phone offences only (not including hand held devices)

Please find attached an excel spreadsheet containing the of offences captured by Officers.

If a fixed penalty (£200 & 6 points for mobile phone offences) has not been issued, that is due to the fact we have been unable to identify the driver or the matter had progressed to court for failing to furnish driver information.
