2026/152 - NON-DOMESTIC BURGLARY STATS

In response to your recent request for information regarding;

I am writing to request information under the Freedom of Information Act. In order to assist you with this request, I am outlining my query as specifically as possible.

I would be interested in any information held by your force regarding my request. If you need further clarification, please contact me by email.

1, How many non-domestic burglaries were recorded by your force in the following CALENDAR years? 2019, 2020, 2021, 2022, 2023, 2024, 2025

Calendar Year	Occurrences
2019	985
2020	683
2021	603
2022	684
2023	591
2024	612
2025	531

2, How many non-domestic burglaries were reported to [Opal](#) as recorded by the following CALENDAR years? 2019, 2020, 2021, 2022, 2023, 2024, 2025

I know that the above stats are held as they have been given to Opal for internal purposes and have been advised by the NPCC to apply for them via an FOI of every police force.

Opal do not record crimes. They take data from the Police National Database (PND), which captures crimes that have been recorded by all forces.

Opal will look at crime series and then develop intelligence and information to help forces combat a particular crime type. Non domestic burglaries may include things such as break-ins to shops, business premises etc.
