2026/258 - Statutory time limit

In response to your recent request for information regarding;

I would like to request information held by your police force relating to recorded crime cases where a suspect was identified, but no prosecution or formal disposal took place because the statutory time limit for prosecution expired. For example, the six-month time limit for summary-only offences or other applicable prosecution or custody time limits.

Specifically, please provide the following for each of the last five full calendar years:

The number of recorded crime cases where a suspect was identified and the case was closed, finalised, or resulted in no further action because the prosecution time limit expired before charge, caution, or other disposal

A breakdown of these cases by the recorded reason for expiry or delay, for example (but not limited to):

failure to complete a suspect interview before the time limit administrative or case-handling delay staff availability or resourcing issues, including sickness or workload evidential delays other recorded reasons

If your police force does not record a single explicit category for "prosecution time limit expired", please provide the closest equivalent data held. For example, cases flagged as "time-barred", "out of time", or similar.

Our information is set up and searchable for our policing purposes. To obtain all the details you have requested would involve manually reviewing each of the 926 records on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.
