2026/332 - Database

In response to your recent request for information regarding;

- 1. Does your police force maintain a repository, database, or central storage system for Police Constable Degree Apprenticeship (PCDA) students' dissertations?**
- 2. If such a repository exists, is the content accessible to all officers and staff within your force?**
 - **For example, can officers search, read, or download previous PCDA dissertations?**
 - **If access is limited, please outline who may view the repository.**

I would be grateful if you could provide any relevant policies, guidance documents, or descriptions relating to how PCDA dissertations are stored and accessed.

North Wales Police do not currently hold PCDA Dissertations.
Our training department are looking at potential ways to receive and store these.
