Please supply the number of careless driving prosecutions involving a vehicle reversing into another in the last five calendar years.

Our information is set up and searchable for our policing purposes. We have retrieved a list of all careless driving charges/summons, there is not enough detail recorded in the summary text to establish the details requested. To obtain the information would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

We have conducted key word search on the summaries retrieved for a vehicle reversing into another.
