2026/416 - Speeding Offences in 20mph and 30mph Zones

In response to your recent request for information excess cost is relevant to part which removes the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

I am writing to request information from your constabulary relating to speeding offences recorded in 20mph and 30mph speed limit areas within your force area.

For the purposes of this request, I am referring to offences where a driver exceeded the posted speed limit on a public road in either a 20mph or 30mph limit.
