2026/427 - ASB at fast food outlets

In response to your recent request for information regarding;

I would like to request data related to anti-social behaviour at McDonalds, KFC, Burger King and Greggs locations within your force area over the past five years.

Please can you provide data on the total number of police call outs to each of these establishments for each year, broken down by the financial year, up to 31 March 2026.

Can you please split the offences by offence group and description.

This information should please also include the following details for each reported incident:

- > Date of incident**
- > Location (address) where the incident occurred – including whether this was inside or outside the restaurant**
- > Description of the incident, including any injuries sustained.**
- > Whether any action was taken by law enforcement – detailing what that was**

Our information is set up and searchable for our policing purposes. We have retrieved data from our ICAD system which logs calls into our control room and dispatches officers etc. To obtain all the information/detail you have requested would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.
