2026/448 - Theft

In response to your recent request for information regarding;

I would like to request data held by the force relating to recorded theft offences from construction/building sites and from builders' merchants (including timber merchants), for the period 1st of January 2020 to 31st of December 2025 (inclusive).

Definitions

Construction/building sites should be interpreted broadly to include active construction sites, building sites, demolition sites, infrastructure projects, redevelopment sites, and other similar locations where construction, demolition, civil engineering, or related works are being undertaken.

Builders' merchants should be interpreted broadly to include builders' merchants, timber merchants, roofing suppliers, aggregate and building material suppliers, landscaping and fencing suppliers, and other similar trade suppliers primarily engaged in the sale, storage, or distribution of construction-related materials, products, or equipment.

Below is the specific information I would like to request:

Construction/Building Sites:

The number of recorded theft offences involving items taken from construction /building sites.

A breakdown of the type of items or materials stolen (e.g., tools, bricks, wood/timber, etc.) from construction/building sites where recorded.

The number of any charges and/or arrests made in connection with thefts at construction/building sites.

Making North Wales the safest place to live, work and visit in the UK**

Builders' Merchants:

The number of recorded thefts involving items taken from builders' merchant sites. This can also include timber merchants.

A breakdown of the type of items or materials stolen (e.g. tools, bricks, wood/timber, etc.) from builders' merchants where recorded.

The number of charges and/or arrests made in connection with thefts from builders' merchants.

Please provide the data as a yearly breakdown.

We have searched for Theft occurrences at Location Type Builders Merchant or Building site.
Property is not routinely recorded and therefore will not be accurate.
