2026/555 - New Police Support Vans

In response to your recent request for information regarding;

1. How many PSU vans do you have now?

13

2. I note that they are 15 plates. When will they be replaced?

Imminently.

There are 12 MAN Vans currently in production and will be going into service throughout June.

It has been noted in the PCC Annual report and capital spend that they will be replaced during 2025/2026. Furthermore, in FOI publication last month on expenditure during April 2026 was two entry from MAN UK.

Yes.

3. If the contract has been awarded - Which van maker won the contract?

MAN.

4. How many will be ordered?

12 have been ordered and converted. There has been a slight delay in the conversion and handover process.

5. When will they arrive into service?

The first two vans are currently being used to ensure kit/equipment process is aligned to the build. The vans will go into service throughout June.
