

Response Date: 25/06/2026

2026/568 - E-bikes

In response to your recent request for information regarding;

Please provide the total number of reports your police force has received/recorded about incidents involving electric bikes, also known as e-bikes? Please provide the total number for last year (2025), for 2024 and 2023.

Please provide the total number of reports received/recorded about incidents involving e-bikes and please provide a breakdown of the total number of reports for each category of incident in each year.

So, how many incidents reported involved a road collision with other vehicles or pedestrians,

how many involved an e-bike being stolen,

how many involved anti-social behaviour

and crimes being committed by riders on e-bikes etc.

until the full number of different types of reports received involving e-bikes is reflected.

Please include as much narrative as possible about what each report you received/recorded was in terms of the allegations - a theft, RTC etc.

Please provide the numbers for each of the above years. If possible, please provide the total number of, and the details of, incidents which led to formal action being taken such as arrests or charges. So how many arrests, charges or other types of formal action such as cautions have there been in relation to reports of incidents involving e-bikes and what were they for?

Please ensure that within the information requested above, it is clear how many alleged crimes/incidents involving an e-bike have been recorded by your force for each of the years above, and please provide a breakdown of all the different types of crimes/incidents that were recorded in each year. If it requires free-searching terms in your database with the words 'e-bike' or

**Yn gwneud Gogledd Cymru'r lle mwyaf diogel i fyw, gweithio ac ymweld yn y DU
Making North Wales the safest place to live, work and visit in the UK**

'electric bicycle' or any other configuration please do so. Please do not include e-scooters in the data for the above questions, just e-bikes.

We have searched our system for recorded occurrences where Bicycle Type "ELE" or summary text contains "e-bike", "Electric bike", "e-bic" or "Electric bic"

Calendar Year	Arrest	outcome	Bicycle Classification	Bicycle Type	HO Description

2025	NO	Non Crime			ASB PERSONAL

Method

The injury road traffic collision (RTC) data is sourced from the Home Office Stats19 returns for the period of 01/01/2023 – 31/12/2025. Please note that 2025 data is considered provisional, therefore subject to change. This data has been broken down to show the number of collisions involving e-bikes per year and includes the severity of the collision. Also note that both electric pedal cycles and electric motorcycles are included in the data. There is no classification for electric bikes on the stats-19 therefore a word search is carried out on the vehicle type.

Findings

The below table shows the number of road traffic collisions involving electric bikes and is broken down by year and severity for the period requested:

Year	Total number of collisions	Total number of casualties	Severity of casualties
2023	7	8	5 serious 3 slight
2024	10	10	7 serious 3 slight
2025	19	22	1 fatal 14 serious 7 slight

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST
