In response to your recent request for information regarding;

Please provide the total number of motorists caught breaking the speed limit in 20mph zones by your force

Please provide the total number for the last three years - 2025, 2024 and 2023.

Please only provide the number of motorists caught speeding in 20mph zones and not any other speed limit zones.

Speed cameras

2023	109
2024	55201 (includes those sent advisory letters)
2025	54259

Please find attached officer detected offences.

Within this, please provide the number of times a motorist was sent a Fixed Penalty Notice by your force for doing exactly 22mph in a 20mph. Again, please break this down per year for 2025, 2024 and 2023.

Speed Cameras - We do not enforce at 22mph in a 20mph limit therefore it is 0 for all years specified.

Please also provide the highest speed that a motorist was caught speeding at in a 20mph by your force.

Speed Camera – 89MPH

For all the above data, please provide the figures for whatever device the motorist was caught - whether on a fixed roadside camera, portably camera in a police van etc. (but these do not need to be detailed).
