2026/755 - allegations, investigations or recorded cases involving police officers or police staff

Although excess cost removed the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

In response to your recent request for information regarding;

I would like to request the following information covering the period 1 January 2022 to the present.

The number of allegations, investigations or recorded cases involving police officers or police staff accessing police-held information or police systems without a legitimate policing purpose.

The number of recorded cases involving the unauthorised disclosure or sharing of information obtained through police-held information or police systems.

For each year, please state the outcome of those cases, including (where recorded) whether they resulted in misconduct proceedings, dismissal, resignation, a written warning, management action, criminal investigation or no further action.

For clarity, the response covers all matters of complaint and conduct under the following IOPC factors:

Access and/or disclosure of information

D1 Use of police systems

D2 Disclosure of information

D3 Handling of information

D4 Accessing and handling of information from other sources
