2026/768 - ANPR

In response to your recent request for information regarding;

1. Does North Wales Police use detections from fixed ANPR cameras to initiate enquiries into suspected offences of driving without insurance where no roadside stop has taken place?

No.

2. If so, can a detection from a fixed ANPR camera, without a roadside stop, result in:

- * an advisory letter (including Operation Tutelage or any equivalent uninsured vehicle advisory process);**
- * a Fixed Penalty Notice;**
- * a prosecution for driving without insurance?**

3. If recorded, please provide the number of cases during the last five calendar years where:

- * a suspected uninsured vehicle was identified by a fixed ANPR camera; and**
- * that detection resulted in either an advisory letter, a Fixed Penalty Notice or a prosecution without a roadside stop.**

4. If the requested statistics are not held, please provide any recorded policy, guidance or procedural documents explaining how fixed ANPR detections for suspected uninsured vehicles are assessed and progressed.

N/A.
