**2026/783 - Domestic violence during the World Cup**

In response to your recent request for information regarding;

**Please provide the following data for each day during the period of the 2026 World Cup, June 11 2026, to July 19 2026, inclusive:**

**Daily Totals by Location:** The total number of recorded domestic abuse incidents/crimes on each calendar day within the specified period, broken down by Community Safety Partnership (CSP) area (or Local Authority / Policing District if CSP is not readily available).

**Force-Wide Daily Totals:** If providing the daily breakdown by CSP/district would exceed the cost limit under Section 12 of the FOI Act, please provide the force-wide total for each individual calendar day within the period instead.

**Please include all recorded domestic abuse incidents/crimes logged on those dates, regardless of whether "football," "World Cup," or a specific match was recorded as an aggravating or contributing factor.**

**If your force separately tracks or flags incidents specifically linked to football/match days, please provide that secondary count alongside the daily totals, if possible, within the cost limit.**

Please find below daily ICAD events and Niche notifiable offences attached for the period.

Regarding Niche notifiable offences - we can split by Local Authority area, however if there are multiple occurrence addresses linked to the occurrence it may result in a small amount of duplication where it counts against both areas.

Events will have only one location address so no risk of duplication.
