2026/791 - Data on drug facilitated sexual assault

In response to your recent request for information regarding;

My query relates to data on drug facilitated sexual assault. I appreciate there is no Home Office crime code specifically for this and so I am asking you to cross check particular crimes with key word searches in the text fields.

I would like all of the following data broken down for each calendar year from 2015 to 2025, and Jan to June 2016.

- 1. For each year: The number of incidents reported of rape or sexual assault where the log also contains any of the following key words: "sleep" OR "drugged" OR "drug facilitated" (on your incident logs)**
- 2. For each of the above (broken down by year), how many of these incidents were then logged as crimes? (on your crime recording system)**
- 3. For each of the crime reports (in questions 2), how many: a. Proceeded to investigation, b. Proceeded to prosecution, c. were logged as No Further Action**

Keyword search of Occurrence Summary for "sleep", "drugged" and "drug facilitated":
