2026/843 - Palantir technology

In response to your recent request for information regarding;

Is North Wales Police considering implementing Palantir technology and disturbing it across the different forces in North Wales?

No

I'd also like to know if this company and it's technology has been brought up in any way during meetings within NWP.

The potential use of Palantir and other technologies has been discussed at 'Questions with the Chief'.

Staff have also attended a meeting in which Palantir demonstrated their offering, but North Wales Police took it no further.
