

Contracts and Procurement

North Wales uses the national Bluelight Emergency Services e-tendering site to provide details of contracts. This includes the duration and value of contracts, who contracts have been awarded to and brief information as to the nature of the contract. Copies of future invitations to tender and contract documents are also published. To view this site - please click here: <https://blueyeplight.eu-supply.com/>.

Copies of contracts with a total value exceeding £10,000 are available on request, subject to the redaction of operationally or commercially sensitive information. Requests for such contracts will be considered on an individual basis and anyone wishing further information should contact the Procurement Department, North Wales Police by dialling 101 or email procurement@nthwales.pnn.police.uk

Once on the Bluelight website:

Click "Awarded Contracts" in the box on the left headed "Supplier Area"

This will take you to a page headed "Current Contracts Visible For Freedom Of Information"

Use the "Organisation" drop down menu to select "North Wales Police"

Use the "Categories" and "Sub-Categories" drop down menus to narrow your search (optional)

Click "Search"
