Your Community Your Choice**

**Introduction by Police and Crime Commissioner Andy Dunbobbin and
Assistant Chief Constable Chris Allsop, North Wales Police**

Once again, we are delighted to invite community organisations to submit applications to our annual 'Your Community, Your Choice' community fund.

This will be the tenth year of 'Your Community Your Choice' and, to celebrate this, we are making £120,000 available to support communities across North Wales that aim to prevent crime, keep our communities safe and support our Police and Crime Plan. Because of this increased funding, we have three tiers of grants available to apply for - £2,500, £5,000 and £10,000 - that we believe will support local grass-roots projects, and those working across counties.

We particularly want to see proposals that help our local communities work with our local policing teams to develop or support existing projects that help to prevent crime and anti-social behaviour in our communities. The value of partnership working cannot, and should not, be underestimated and community groups such as yours bring great value to local projects. In many cases volunteers are the backbone of our society and this fund aims to support that work.

Our focus with this fund continues to be supporting and developing resilient communities. Community organisations have a vital role to play in making this happen by supporting the priorities in our Police and Crime Plan. We are encouraging community organisations to apply for funding for projects that will have a positive impact - particularly those which have a long-term vision reflecting the diversity of our area and which work in collaboration with others to prevent problems occurring.

When developing your proposal please consider how it will support the priorities of the current Police and Crime Plan which can be found on the Police and Crime Commissioner's website:
<https://www.northwales-pcc.gov.uk/what-our-priorities-are-and-how-we-are-doing>

Our three policing priorities are:

- Delivering Safer Neighbourhoods
- Supporting victims and communities
- Fair and effective Criminal Justice System

The public will once again decide on which proposals are successful through our usual online voting portal. So, if your application is accepted you will need to ensure that your network of supporters get voting for you.

'Your Community, Your Choice' is a joint initiative that has been made possible with funding from the Police and Crime Commissioner, together with money made available through assets seized from criminals under the Proceeds of Crime Act. This would not be possible without the dedication and commitment of the officers and staff of North Wales Police working tirelessly to bring criminals to justice, and applicants are expected to discuss their idea/application with their local policing team.

We are delighted that our partners at the Police and Community Trust (PACT) led by chair, Ashley Rogers, and his team are once again working with us to deliver this year's fund. 2023 represents the 25th Anniversary of PACT in North Wales and it is fitting that PACT continues to deliver Your Community Your Choice in this special year.

Thank you very much for your interest, we wish you every success with your application.

Andy Dunbobbin
Police and Crime Commissioner for North Wales

Chris Allsop
Assistant Chief Constable
