2024/213 – Drones

In response to your recent request for information regarding;

I would like to progress your drone flight count, I appreciate in using these figures there's a large margin or error both with the incident logs and using the drone team's count, I'm not going to use these figures without considering all the weaknesses these counts provide. Many of the forces I've asked have highlighted how flawed incident log counts are.

Clarification

To clarify yes, just for 2022.

North Wales Police used drones at 815 tasks in 2022.
