I am aware of the National ANPR Standards for Policing & Law Enforcement (NASPLE) accessible via weblink: [National ANPR standards - GOV.UK \(www.gov.uk\)](http://www.gov.uk)

North Wales Police do not hold this information. Data is weeded every 28 days and March VOI lists no longer are held on record.

3. Please provide the most recent internal training material/resources (or similar in nature) created that has relevance to officers determining what category of alert a Vehicle of Interest (VOI) should be added to.

4. Please provide the full name/title of the e-form used by officers and staff when nominating a Vehicle of Interest to the ANPR system

North Wales Police do not hold this information. There is no specific e-form for this. OSS intelligence create a csv excel sheet obtaining the details of vehicles of interest from Niche (intelligence system) and then upload them direct to the ANPR system.

5. Some VOIs will be nominated by officers and staff via an e-form. Please provide a copy of this form (i.e. a template copy or a completed form but appropriately redacted to ensure no disclosure of personal data)

North Wales Police do not hold this information. There is no e-form for this. It is a generic excel sheet which they send us and we convert to a csv excel to upload or in some cases the ANPR team will create the excel on receipt of an email detailing the vehicles to be added.
