2025/1133 - Doorstep parcel theft

In response to your recent request for information regarding;

The purpose of this request is to gather data on (1) doorstep parcel thefts and (2) burglaries occurring during the festive period.

Specifically, I am seeking anonymised data on the following:

Burglaries during the festive period

1. The total number of recorded burglaries that occurred on the following dates: 24 December, 25 December, 26 December, 31 December and 1 January for each year 2020-2025 (inclusive).

For burglaries during the festive period, if held, indicate whether a suspect was charged for each offence, or if the case remained unsolved and no suspect was identified. If charge outcome data is not readily available, please still provide the number of burglaries by date.

Please see attached

Parcel thefts

2. The total number of recorded parcel thefts between 1 January 2020 and 29 October 2025, broken down by month and year.

If doorstep parcel thefts are not recorded as a specific crime category, please provide the nearest available equivalent (for example, theft from a dwelling, theft from doorstep, or similar).

If no such category exists, please identify relevant incidents by conducting a keyword search of crime reports or incident logs using terms such as parcel, package, delivery, or doorstep, and provide the number of records identified.
