2025/1136 - Speeding Fines

In response to your recent request for information regarding;

Could you please provide information on your performance in tackling speeding in terms of fines issued/prosecutions or any actual type of penalty (ie ignoring speedwatch's 'stiff letters' and other trivialising responses)

I would like this broken down by speed limit penalty category (20mph, 30mph, 40 mph, etc) and ideally by each month since January 2018. However if the monthly breakdown is too time-consuming for an FoI then by year would be fine.
