2025/479 - Domestic Abuse Risk Assessment (DARA) tool

In response to your recent request for information regarding;

You may remember that at the end of last year I asked if first responders from your force use the Domestic Abuse Risk Assessment (DARA) tool when responding to domestic abuse incidents?

At the time you responded: "No". Can I confirm that this is still the force's current position?

We do not currently use DARA – there are plans to introduce this year.
