I am requesting the following information for each of the last five years (2021/22 to 2025/26):

1) The number of reported sexual offences (including sexual assault, rape, and other sexual offences) where the location was recorded as being at or within 200 metres of a pub, bar, nightclub, or other licensed premises, and where the offence occurred between the hours of 11pm and 5am.

2) For the offences in (1), please provide a breakdown by:

- Offence type

Our information is set up and searchable for our policing purposes. We do not hold a definitive list of all licenced premises across the force area nor are we able to identify 200 metres of a location. Although information will be held on our systems to obtain the information in the format you have requested would involve manually reviewing each record on our force system. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.
